**Errata 2**

June 18, 2010

**ADDENDUM**

Please note the following corrections and/or additions to our Notice of Competitive Lease Sale, Oil and Gas, dated May 7, 2010. The oral auction is scheduled on June 23, 2010.

**Parcel No. ES-012-06/10 ARES 056357 PD**

**The lands included in this parcel are fully committed to Communization Agreement (CA) ARES 56282, approved effective July 20, 2009.**

The successful bidder is required to file evidence of having entered into an agreement with the CA operator for the development and operation of the subject lands under the terms and provisions of the approved communization agreement.

The successful bidder should immediately contact the CA Operator SEECO, Inc., 2350 N. Sam Houston Parkway East, Suite 125, Houston, TX 77032. In order to join the CA, the operator will give instructions about executing copies of the joinder agreement. Five duplicate originally signed copies of the joinder agreement must be furnished to the BLM, Jackson Field Office, 411 Briarwood Drive, Suite 404, Jackson, MS 39206.

When the evidence is filed with the above office, a copy of the transmittal letter must be filed in the State Office in Springfield, Virginia.

This parcel contains one unplugged and producing well known as Thronberry 08-14 #3-05H, API # 03029105290000. The Surface Location for the wells is located in the SWSW of Section 5, T. 8 N., R. 14 W., the Bottomhole Location for the well is located in E2SE of Section 5, T. 8 N., R. 14 W., Conway County, Arkansas.

Prior to lease issuance, the lessee must furnish a Lease bond in an amount to be determined by the BLM and *may* assume the liabilities for plugging, abandoning, and reclaiming the one mentioned well on the lease. Any additional information on this parcel can be obtained by contacting John Dykes Assistant Field Manager in Jackson, Mississippi at (601) 977-5400.

**Parcel No. ES-013-06/10 ARES 056358 PD**

**The lands included in this parcel are fully committed to Communization Agreement (CA) ARES 56429, approved effective January 2, 2007.**

The successful bidder is required to file evidence of having entered into an agreement with the CA operator for the development and operation of the subject lands under the terms and provisions of the approved communization agreement.

The successful bidder should immediately contact the CA Operator SEECO, Inc., 2350 N. Sam Houston Parkway East, Suite 125, Houston, TX 77032. In order to join the CA, the operator will give instructions about executing copies of the joinder agreement.
